All discounts are based on the current price list.

The Programs do not include costs of medication , medical equipment, minor surgeries, and some referrals.

For consultations with some medical specialists (excluding Allergology), prescribed medication, laboratory tests, and referrals are paid in full by the client without reimbursement from the health insurance provider.

* Dermatological and surgical procedures are not included in the membership and are billed separately (including excision of skin lesions and histological examination).

** Does not include Pregnancy Care, Pregnancy Membership available on Request. Consultations with Prof. Calda are not part of membership. Benefits and no discount applies, but included in VIP membership.

*** All dental treatments are performed at the partner clinic. Additional dental procedures are charged according to the partner clinic's current price list (including the Emergency appointments).
